Phone (856) 795-9805  
Fax (856) 938-3961

Dear Parent/Guardian,

The Cherry Hill Fire Department has been a partner with the Cherry Hill School District providing fire safety education for many years. In 2014 we presented a new program entitled "Safety Smart". Safety Smart is a school-based curriculum that links teachers with community safety experts and parents. Safety Smart is being taught in grades 1, 3, 5 and 6 as part of the Physical/Health Education Program.

The goal of the Safety Smart Program is not only to teach students valuable safety skills, but also to have the students put these skills to use outside of the school environment. A valuable tool to help us evaluate the effectiveness of the program is the parent survey. We ask parents/guardians to please take a few minutes to complete a survey so we can determine how, if at all, the instruction is being put to use. Below you will find the link you should access to complete the survey.

Your feedback is very important to us as it will also be used in preparation for future educational offerings. If you have any questions, please contact the Cherry Hill Fire Department at 856-795-9805 x 1333.

Thank You,

Tammy DeLucca  
Public Education Officer  
Cherry Hill Fire Department
